# Technical Datasheet

CIRCULAR connector for NEON LED 16mm

Product code:

Reference: NEON76675

Technical specifications:

REFERENCE: NEON76675
Construction Material: PVC
Certifications: CE - ROHS
IP : IP66
Warranty Years: 2

Product short description:

Circular LED Neon connector for the 220V 16mm monochromatic LED neon. Made of flexible PVC, it is translucent to let the circular led neon light through.
