Product description:

Frame square for LED MR16 GU10 - URG19

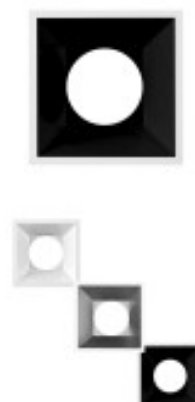

Frame square for dichroic LEDs, both MR16 and GU10, is designed to obtain an attractive and refined decoration, thanks to its shape you can create very exclusive environments.

All its material is made of thermoplastique with a white finish, which makes this ring a very resistant product so it has a great durability, **makes it a stainless steel ring**.

It is ideal for home spaces such as kitchens, bathrooms, porches and also in offices, hypermarkets, or any event area where you need to recreate select environments.

In FactorLED we assure that our products have **QUALITY** guarantee and offer all the necessary elements for the **DISTRIBUTION, IMPORT or WHOLESALE**, including the technical card of each LED product.
