

Pack LED 6000K Neon LED 6mm 12V + Power supply

Product code:

Reference: JN76250-6

Technical specifications:

REFERENCE: JN76250
Rated Power : 8W/M
Nominal Voltage: 12V DC
Colour: 6000K
Construction Material: Silicone
Number & Type of LEDs: SMD 5050
Beam Angle (°): 180°
Luminous diode LED (Lm/W): 110 Lm/W
Luminous Efficiency (Lm/W): 80Lm/W
Dimmable: TRIAC
Certifications: CE - ROHS
IP : IP66
Diode Life Expectancy (H): 35.000
Dimensions (mm): L5000x6x12mm
Frequency (Hz): 50/60Hz
Temperature Range (°C): -20°C ~ +55°C
On/Off Cycles: 100.000
Energy Rating (2021-UE-2019/2015): A+
Warranty Years: 2

Product short description:

Pack Neon LED strip 5 meters 8W the meter 6mm 12V with power supply included. The LED strip has 120 SMD 2835 diodes with which you can create different effects quickly and easily. Thanks to its easy connection of the controller, connectors and power supply, installation is very simple. Indoor and outdoor use IP66. Can be cut every 2.5cm.

Product description:

Pack Neon 6000K LED Strip 6mm 12V + Power Supply

With our 6mm 12V LED neon strip + DC5.5 connector + power supply pack, the placement is very easy. Comes with a 1 meter connection cable all ready to connect, totally, just connect the transformer to the power supply and plug the 5 meters of neon LED.

The neon LED is 8w per meter. It has 120 diodes SMD2835 each meter. So you get a considerable saving in consumption compared to a traditional neon.

This product can be cut every 2.5 cm which gives a great adaptation to make letters, shapes, cuttings, symbols ... This is a step forward in your signs and labels as it can be adapted to the shapes in a simple way.

The product has great flexibility. can be folded in the horizontal plane at 190 degrees and even allows 190 ° turn in 9 cm with which you get perfect framing in all your objects, decoration, areas, ...

This type of lighting is ideal for lighting any type of corner or element in the home, or in your business thanks to its flexibility. We could say that one of its advantages is the versatility of uses that can be given.

It has a great useful life of 35.000h and thanks to the LED technology we can enjoy a high quality and efficient light, and also save in its consumption and maintenance.

We have different colors in the Neon LED. All our products have a 2 year guarantee. Do not miss it and get them now in our factorled online store.

Uses of the Pack Neon 6000K LED Strip 6mm 12V + Power Supply

In signage
Body letters
Home
Restaurants
Covers

In FactorLED we assure that our products have QUALITY guarantee and offer all the necessary elements for the DISTRIBUTION, IMPORT or WHOLESale, including the technical card of each LED product.
