Product description:

Adjustable Frame Square for LED MR16 GU10

Square Frame for **LED dichroic**, both **MR16** and **GU10**, is designed to get an attractive and refined decoration, thanks to its adjustable shape can create very exclusive environments.

All its material is made with a **white** finish, which makes this ring a very resistant product so it has a great durability, makes it a **stainless frame**.

It is ideal for home spaces such as the kitchen, bathroom, porches and also in offices, hypermarkets, or any event area where you need to recreate select environments.

At FactorLED we ensure that our products have a **QUALITY** guarantee and offer all the necessary elements for **DISTRIBUTION**, **IMPORT** or **WHOLESALE**, including the technical specifications of each LED product.
