

36W LED Ceiling Light TURKU - Dimmable - CCT + Remote Control

Product code:

Reference: 90446

Technical specifications:

REFERENCE: 90446
Rated Power : 36w
Nominal Voltage: 175-265V
Colour: SELECTABLE COLOUR: 3000K-4000K-6000K
CRI - Chromatic Rendiment Index: 80
Construction Material: Aluminium+PC
Luminosity-Lm: 5040Lm
Beam Angle (°): 120°
Luminous Efficiency (Lm/W): 140Lm/W
Certifications: CE - ROHS
IP : IP20
Diode Life Expectancy (H): 50.000
Dimensions (mm): Ø 51cm H8cm
Power Factor (PF): 0.96
Frequency (Hz): 50/60Hz
Temperature Range (°C): -20°C ~ +55°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Cut-out Size (mm): Ø 45cm
Driver included: YES
Energy Rating (2021-UE-2019/2015): A+
Warranty Years: 2
Peso de producto: 1,7 Kg

Product short description:

36W TURKU dimmable LED surface ceiling lamp, the light spreads evenly throughout the space. The luminaire has all the light temperatures in the same focus (warm, natural and cold light), so you can select it according to your needs.

Our 36w CCT ceiling light comes with a **2.4G frequency remote control** with which you can change the color whenever you want.

Product description:

LED Surface Ceiling Lamp - Dimmable 36W **TURKU** - CCT (Selectable Colour) + Remote Control.

Our **dimmable circular ceiling** lamp stands out for its elegant and modern look. It has a power of **36W**, it is a product specially indicated to stand out in any space thanks to its elegant design. With its remote control you can choose the colour temperature you want (3000k - 4000k - 6000k) whenever you want.

It reproduces ideal atmospheres with high brightness lighting, from cool to warm.

With this **ceiling lamp** you can reduce energy savings of up to 80%. It is considered a non-polluting product, as it has an energy class A+.

The light is evenly distributed over the whole area as it has an opal casing and a **120°** angle. Thanks to its avant-garde and select design, it can create sophisticated atmospheres and remarkable lighting.

Ceiling Light Installation and Controller Setup:

1. Disconnect the electrical system
2. Open the ceiling with a twist of the cover.
3. Splice the wires from the spotlight to the wires from the electrical system.
4. Install the spotlight to the ceiling or wall with the necessary tools.
5. Connect the electrical system
6. Switch on and off from the switch 3 times.
7. Press and hold the "SETUP" button on the remote control and it is configured.

Easy to install and with guaranteed quality. Now the installation and handling of the product is more comfortable, making the adaptation to the surfaces more precise and in less time.

Uses of the LED Surface Ceiling Light - 36W TURKU - Dimmable - CCT + Remote Control

Its applications can be very diverse, but to highlight some, it would be the lighting for:

- Businesses and Offices

Notice: Product subject to change without prior notice. Ensure to use the most recent technical datasheet.

Technical Datasheet

- Bathrooms and kitchens
- Corridors, terraces
- Porches or basements
- Roofs

In FactorLED we ensure that our products have QUALITY guarantee and offer all the necessary elements for DISTRIBUTION, IMPORT or WHOLESale, including the technical data sheet of each LED product.
