

Driver for LED lighting 40W 1000mA - IP65

Product code:

Reference: DRIVER40W-1000MA

Technical specifications:

REFERENCE: DRIVER40W-1000MA
Rated Power : 40w
Nominal Voltage: 110-260V
Construction Material: Steel
Certifications: CE-ROHS
IP : IP65-Outdoor
Dimensions (mm): 125x45x30mm
Power Factor (PF): 0.95
Frequency (Hz): 50/60Hz
Other Information: OutPut: DC23-43V 1000mA
Driver included: Driver GXTronic - 5 Years
Warranty Years: 5

Product short description:

Driver:
Power supply for LED lights with maximum power and a range of 1000mA.
Input: AC110-260V; Output: DC23-43V 1000mA.

Product description:

LED Driver specially designed for LED , withan output of 40W and a maximum range of 1000mA (CC).

LED power supply has AC110-260V input with a frequency of50/60 Hz, DC23-43V output with a power factor of > 0.9.
