

LED TrackLight 28W LEIPZIG - 3 Phase rails - Driver VOSSLOH - Adjustable Optics 36°-60°

Product code:

Reference: VLT227-9040

Technical specifications:

REFERENCE: VLT227-9040
Rated Power : 28W
Colour: 3000K - 4000K
CRI - Chromatic Rendiment Index: 90
Construction Material: Aluminium +PMMA
Luminosity-Lm: 3080
Number & Type of LEDs: COB
Beam Angle (°): 30°-to-60°
Luminous diodo LED (Lm/W): 120Lm/W
Luminous Efficiency (Lm/W): 110Lm/W
Certifications: CE - ROHS - ENEC05
IP : IP20
Diode Life Expectancy (H): 50.000
Dimensions (mm): 30x21mm
Power Factor (PF): 0.95
Frequency (Hz): 50/60Hz
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Driver included: YES
Energy Rating (2021-UE-2019/2015): A+
Warranty Years: 5

Product short description:

Spotlight for professional and commercial use, MULTI-ANGLE from 36° to 60°. Top quality three-phase driver from VOSSLOH-SCHWABE DEUTSCHLAND GmbH. High luminance COB light source, the lens is dimmable and provides a total lumen output concentrated in an aperture beam of different degrees from 36° to 60°. High colour rendering quality +90 (CRI). 5 years warranty.

Product description:

LEIPZIG 3-Phase 28W LED Spotlight LEIPZIG - VOSSLOH SCHWABE - Optics Dimmable 36°-60°.

3 Phase spotlight for shop window and commercial use, MULTI-ANGLE, highly efficient COB light source. The spotlight has different opening angles to make the most of the elements that we want to highlight with our spotlights. The LED spotlight can be adjusted by simply turning the front part of the desired angle from 36° to 60°.

With these track spotlights you can select the points of light that you most want to highlight, being able to regulate 360 degrees horizontally and 180 vertically. LED track spotlights perfect for commercial lighting. Prepared for easy installation on a 3 Phase track. For indoor use only due to its IP20 protection rating.

The LED luminaire is equipped with a top-quality three-phase Driver from VOSSLOH-SCHWABE DEUTSCHLAND GmbH, which has an intensive service life of more than 50,000 hours.

The type of light provides a comfortable and suitable climate for your customers, the light is of high quality and reproduces colours in a natural way, the colour rendering index is over 90. (CRI).

The LED spotlight is made of high purity aluminium, which allows a correct dissipation of the heat generated by the high quality COB LED diode.

Due to its size, it can be easily integrated anywhere, and the LED lighting is just another decorative object that will enhance your rooms and shops.

Assembly is very simple we will place the spotlight on a previously installed three-phase rail.

This LED spotlight has a selector with which we can select the line of the three-phase rail we want to connect. (See detailed image)

Applications: LEIPZIG Three-phase 28W LED spotlight - VOSSLO - Optics Dimmable 36°-60°.

- Museums
- Art galleries
- Shop windows
- Offices
