

Ceiling LED fan RAINBOW Colours - E27 - 53W - 76cm

Product code:

Reference: VL75165

Technical specifications:

REFERENCE: VL75165
Nominal Voltage: 220-240V
Base: E27
Certifications: CE - ROHS
IP : IP20
Dimensions (mm): Ø760x280 mm
Frequency (Hz): 50/60Hz
Warranty Years: 5
Style : Classic
Main colour: White
Finishing: Glossy
Blade material : Wood
Number of blades : 6
Diffuser material : Glass
Reversible blades: Yes
Engine type: AC
Summer / winter mode: Yes
Blade length: 295
Mounting position: Single post + direct ceiling mounting
Maximum roof pitch: 15°
Installation: 2 - 3m
Speeds: 3
RPM: 131,187,237
Air flow: 2880,4020,5760 m3/h
Noise level: 30,42,46 dB
Consumption: 16 / 27 / 53 W/h
Number of lampholders : 1
Bulb included : No

Product short description:

LED Fan 76cm diameter, with white finished body and **six reversible blades** included: white and washed pine. With opal **glass**.

Reduce the ambient temperature with the cool air from our fans while saving on your electricity bill thanks to LED lighting.

Product description:

RAINBOW LED Ceiling fan - E27 - 53W - IP20

LED Fan 76cm diameter, with white finished body and **six reversible blades** included: white and washed pine. With opal **glass**. Activated by two chains with decorative handle. It includes an E27 socket so that you can install the bulb that best suits your needs and has the option of mounting at two heights, one with a stem and the other directly to the motor. Summer/winter function.

Activated by means of two chains with decorative handle, it has the option of mounting at two heights, one with post and the other directly to the motor. Thanks to its **Reverse System**, the fan has **two functions**, **summer/winter** option, with this mode the engine reverses the rotation of the blades getting to dissipate the hot air in summer and evenly distribute the hot air from the heating in winter, which improves the thermal sensation and optimizes the operation of the heating.

All our fans use the best technology to achieve optimum performance. Its **silent system** makes it work without causing uncomfortable noises in the environment.

Uses for LED Ceiling Fan RAINBOW - 53W - CCT - IP20

- Halls
- Offices
- Bedrooms
- Kitchens
- Porches
- Waiting Rooms
- Restaurants

In FactorLED we ensure that our products have **QUALITY** guarantee and offer all the necessary elements for **DISTRIBUTION**, **IMPORT** or **WHOLESALE**, including the technical data sheet of each LED product.
