Product short description:

This Aluminium **Ceiling Light Black** has a decorative ring that the **GU10 bulb** itself will light up, making the double ring effect, which at the same time will illuminate the area, giving it a warm and cosy illumination, giving it an elegant and modern touch. **(GU10 bulb not included)**

Product description:

Aluminium Ceiling Light Black - Double Righ - GU10 LED

Our **Ceiling Light** is a high quality decorative element, making it adaptable to any type of style. You will get a great warm illumination.

The luminaire has a ring that is illuminated by the same bulb, which achieves a beautiful design effect by delivering the light through the same ring. Ring effect is lit at the same time as the **GU10 bulb** area is illuminated.

Easy replacement of the bulb if necessary.

The **Ceiling Light** is made of Aluminium, a high quality material which gives the product high strength, hardness and consistency properties. It can be used indoors and also outdoors (always in covered places and without contact with rain). Recommended for any room where elegant and decorative light is required.

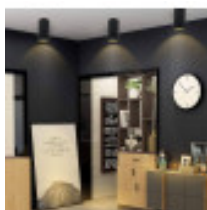

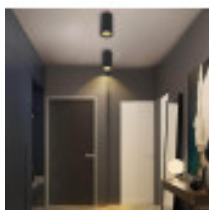

Uses Aluminium Ceiling Light Black - Double Righ - GU10 LED

- Walls
- Corridors
- Rooms
- Hotels
- Tickets
- Porches

With this **LED technology**, you will be able to **save** much more on your electricity bill.

In Factorled we assure that our products have guarantee of QUALITY and offer all the necessary elements for the DISTRIBUTION, IMPORT OR WHOLESALE, including the technical card of each LED product
