

## LED Signage Bollard - White 6W IP65 - Surface - KOUVOLA - CCT Selectable Color

### Product code:

Reference: LWL6W-CCT-91255

### Technical specifications:

REFERENCE: LWL6W-CCT-91255  
Rated Power : 6w  
Nominal Voltage: 220-240 V AC  
Colour: SELECTABLE COLOUR: 3000K-4000K-6000K  
CRI - Chromatic Rendiment Index: 80  
Construction Material: PC  
Luminosity-Lm: 300  
Number & Type of LEDs: SMD 2835  
Beam Angle (°): 120°  
Luminous diodo LED (Lm/W): 130Lm/W  
Certifications: CE - ROHS  
IP : IP65-Outdoor  
Diode Life Expectancy (H): 35.000  
Dimensions (mm): 230x80xH29mm  
Frequency (Hz): 50/60Hz  
Temperature Range (°C): -20°C ~ +55°C  
On/Off Cycles: 100.000  
Starting Time (s): 0,2s  
Energy Rating (2021-UE-2019/2015): A+  
Energy Rating (2023 - UE-2019/2015): F  
Warranty Years: 3

### Product short description:

Buy it now and start saving!

In the following video you have all its features and its installation: KOUVOLA 6W IP65 LED Signage Bollard

### Product description:

White LED Beacon 6W IP65 - Surface - KOUVOLA - CCT

Get ready to experience the lighting revolution with the **LED Signaling Beacon 6W**, model **KOUVOLA**! If you're looking for an innovative way to illuminate your space and create a cozy, efficient, and versatile atmosphere, this LED beacon is the perfect choice for you.

Imagine having complete control over the lighting in your home or business. With the KOUVOLA model, the choice is in your hands thanks to its impressive Selectable **CCT (Color Temperature)** feature, allowing you to adjust the color temperature to your preferences. With options of **3000K, 4000K, and 6000K**, you can tailor the lighting to every situation, from a warm and relaxing evening at home to a bright and energetic ambiance for your gatherings.

The LED Signaling Beacon 6W not only offers color options but also features an elegant **white** design that complements any style of decor perfectly. Its minimalist and modern design makes it a conversation piece in any space where you place it.

But that's not all; its ease of use is unparalleled. With a switch at the back of the product, changing the light color is as simple as pressing a button. Say goodbye to complicated controls! Furthermore, its surface mounting is quick and easy, with no need for complex construction or installations.

Concerned about outdoor use? Don't worry! The LED Signaling Beacon 6W KOUVOLA has an **IP65 water resistance** rating, making it perfect for use in courtyards, gardens, or entrances. You no longer have to worry about the weather, as this beacon will continue to shine brightly, rain or shine.

In summary, the LED Signaling Beacon 6W KOUVOLA is much more than just a simple light source. It's a versatile design piece that allows you to create the perfect atmosphere at any time and place. From the comfort of your home to the impression it will leave on your guests at special events, this LED beacon is the ideal choice.

Don't miss the opportunity to transform your space with the perfect lighting. Buy the LED Signaling Beacon 6W KOUVOLA today and discover how light can completely change the atmosphere of your environment!

Uses of the White LED Beacon 6W IP65 - Surface - KOUVOLA - CCT
