

7W White Round LED Downlight - Adjustable - CCT Selectable Color

Product code:

Reference: LSPL7W-CCT-91269

Technical specifications:

REFERENCE: LSPL7W-CCT-91269
Rated Power : 7W
Nominal Voltage: 220-240 V AC
Colour: 3000K - 4200K - 6500K
CRI - Chromatic Rendiment Index: 80
Construction Material: Thermoplastic
Luminosity-Lm: 700 Lm
Number & Type of LEDs: COB
Beam Angle (°): 60°
Dimmable: No
Certifications: CE - ROHS
IP : IP40
Diode Life Expectancy (H): 2118T-MBY4H-6W
Diode Life Expectancy (H): 25000
Dimensions (mm): Ø90xH44.5mm
Frequency (Hz): 50/60Hz
Temperature Range (°C): 25°C ~ 45°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Cut-out Size (mm): Ø 70mm
Driver included: YES
Energy Rating (2021-UE-2019/2015): A+
Warranty Years: 3

Product short description:

White recessed spotlight LED circular adjustable with **7W** of power. With an opening angle of **60°**, so the lighting is more direct to focus the light on specific points. It stands out because it can **rotate 360 ° and rotate 24 °** getting a lighting to any space of interest.

CCT technology, the white **light** can be selected in **3000K, 4000K and 6000K**. Easy assembly and installation.

Product description:

Recessed LED 7W Circular White - Adjustable - CCT

Imagine perfection in lighting: the **7W Circular White LED Downlight** is much more than a simple luminaire; it is a masterpiece of lighting technology. Once you discover it, you'll never want to go back to conventional lighting again.

Adaptive Brightness:

One of the most amazing features of this LED downlight is its ability to change the color of the light to your liking. Thanks to its innovative switch on the back of the fixture, you can select from **three color options: warm white, neutral or cool**. Want to create a cozy atmosphere in your living room? Need a bright, focused light in your work space? Choose cool white. Maybe something in between for a versatile room? Neutral white is the perfect choice you're in total control!

Outstanding Energy Efficiency:

With a **power output** of only **7W**, this **LED downlight** is an energy efficient powerhouse. Despite its low power consumption, it provides bright, crisp illumination with a **60-degree light angle**. Goodbye to high electricity costs and hello to a more environmentally friendly energy bill.

Adjustable:

Our LED Recessed Spotlight is not just another one on the market. Its **directional** design allows you to direct the light exactly where you need it, it **rotates 360°** and has a **24° rotation** to adjust it according to the needs of each space. No more uncomfortable shadows or poorly lit areas - create the perfect atmosphere by simply adjusting the direction of the light!

Unmatched Durability:

Made of polycarbonate (PC), this LED downlight is tough and durable. Its high quality construction ensures that it will last for years without losing its splendor. No more worries about replacing bulbs or luminaires frequently.

Easy Installation:

Installation of this LED downlight is child's play. It comes with all the necessary instructions and parts, so you can have it up and running in minutes, no need to hire an electrician.

Technical Datasheet

Uses of 7W Circular White LED Downlight - Adjustable - CCT

The **7W Circular White LED Downlight** is as versatile as it is powerful. You can use it in a variety of settings:

- In your home: Beautify your living room, kitchen, bedroom or any other space with this stylish and functional fixture. Adjust the color of the light to create the perfect atmosphere at any time.
- In your office: Boost your productivity and create an optimal work environment with bright white light on your desk or work area.
