

6W Downlight LED - DIRECTIONAL PERISCOPIC - Square - CCT Selectable Color

Product code:

Reference: LSPL6W-CCT-91267

Technical specifications:

REFERENCE: 1419A-SL34-CUADRADO
Rated Power : 6w
Nominal Voltage: 220-240V
Colour: 3000K-4200K-6500K
CRI - Chromatic Rendiment Index: 80
Construction Material: PC Fireproof
Luminosity-Lm: 600 Lm
Number & Type of LEDs: COB
Beam Angle (°): 30°
Dimmable: No
Certifications: CE - ROHS
IP : IP40
Diode Life Expectancy (H): 25000
Dimensions (mm): Ø90xH60mm
Frequency (Hz): 50/60Hz
Temperature Range (°C): -20°C ~ +50°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Cut-out Size (mm): 70mm
Glare Rating (UGR): 19
Driver included: YES
Energy Rating (2021-UE-2019/2015): A+
Energy Rating (2023 - UE-2019/2015): F
Warranty Years: 3

Product short description:

Are you ready to transform your space into a haven of light and elegance? Introducing the Recessed LED 6W PERISCOPIC DIRECTIONAL, a gem of lighting that will illuminate your moments uniquely. Turn every corner of your home or office into a setting where light adapts to your needs and desires. Discover why this Recessed LED has become the number one choice for those seeking perfection in lighting, and it's fully adjustable!

CCT technology, white light can be selected in Warm, Neutral, and Cool. Easy assembly and installation.

Product description:

Downlight LED 6W - DIRECTIONAL PERISCOPIC - Square - CCT Selectable Color

Are you ready to transform your environment into a paradise of brightness and sophistication? Allow us to introduce the 6W LED Recessed Light, a true masterpiece of lighting that will enhance your moments like never before. Turn every corner of your home or office into a setting where light adjusts to your needs and preferences. Discover why this LED Recessed Light has won the hearts of those seeking excellence in lighting.

Perfect Brightness and Direction:

Our 6W LED Recessed Light is not just another product on the market. Its directional periscopic design allows you to precisely direct the light where you need it. No more uncomfortable shadows or poorly lit areas. Create the perfect atmosphere by simply adjusting the direction of the light!

Perfect 30-degree Angle and Full Orientation:

If you wish to highlight specific elements in a room or area, such as artwork, a display case, or a workspace, a 30-degree angle allows you to focus the light on that object, creating a highlighting effect.

Full orientation enables you to customize the direction and angle of the light according to your personal preferences. This is especially useful in spaces where multiple activities take place. By being able to aim the light directly at specific areas or elements, you can eliminate unwanted shadows and ensure that the lighting is even and effective.

In versatile spaces or those with different uses, such as a living room also used as an office, full orientation allows you to adapt the lighting to various needs.

Colors to Suit Your Taste:

Tired of cold or warm light? Our LED Recessed Light allows you to choose the light color that suits you best. With Selectable CCT Color technology, you can opt for warm light, cool light, or any intermediate shade with a simple adjustment. Whether it's cozy lighting for a romantic dinner or bright light for work, this recessed light adapts to your needs in an instant.

Outstanding Energy Efficiency:

With a power consumption of only 6W, this LED recessed light is an energy efficiency powerhouse. Despite its low energy consumption, it provides bright and crisp illumination with a 60-degree light angle. Say goodbye to high electricity costs and hello to a more environmentally friendly energy bill.

Notice: Product subject to change without prior notice. Ensure to use the most recent technical datasheet.

Technical Datasheet

Unmatched Durability:

Made of polycarbonate (PC), this LED recessed light is robust and long-lasting. Its high-quality construction ensures it will last for years without losing its brilliance. No more worries about frequently replacing bulbs or fixtures.

Easy Installation:

Installing this LED recessed light is child's play. It comes with all the necessary instructions and components, so you can have it up and running in minutes, without the need to hire an electrician. We simply remind you to always turn off the electrical power when performing any electrical work!

Where You Can Use It:

The 6W LED Recessed Light is as versatile as it is powerful. You can use it in a variety of settings:

- In your home: Beautify your living room, kitchen, bedroom, or any other space with this elegant and functional luminaire. Adjust the light color to create the perfect atmosphere at any time.
- In your office: Boost your productivity and create an optimal work environment with bright white light on your desk or work area.
- In stores and businesses: Showcase your products and attract customers with clear and appealing illumination.
- In restaurants and bars: Create a cozy or lively atmosphere depending on the occasion, all with a single LED recessed light.
- In commercial spaces: Whether it's an exhibition hall, art gallery, or any other place, this luminaire will add a special touch to your space.

In summary, the 6W LED Recessed Light with CCT is the perfect lighting companion that offers control, efficiency, and durability. Add a touch of style to your environment and experience the next generation of lighting. Don't wait any longer to make this wonder of lighting technology yours! Transform your spaces and create the perfect ambiance with a single click.

At FactorLED, we guarantee the QUALITY of our products and provide all the necessary elements for DISTRIBUTION, IMPORTATION, or WHOLESale, including the technical specifications of each LED product.
