

## LED Neon - 5 meters - PINK - 6mm LED - 12V - Cut 2.5cm

### Product code:

Reference: FL95104

### Technical specifications:

REFERENCE: FL95104  
Rated Power : 7W/M  
Nominal Voltage: 12V DC  
Colour: PINK  
Construction Material: Silicone  
Number & Type of LEDs: SMD 2835  
Beam Angle (°): 180°  
Luminous diode LED (Lm/W): 110 Lm/W  
Luminous Efficiency (Lm/W): 80Lm/W  
Dimmable: TRIAC  
Certifications: CE - ROHS  
IP : IP65-Outdoor  
Diode Life Expectancy (H): 30.000  
Dimensions (mm): L5000x6x12mm  
Frequency (Hz): 50/60Hz  
Temperature Range (°C): -20°C ~ +55°C  
On/Off Cycles: 100.000  
Energy Rating (2021-UE-2019/2015): A+  
Warranty Years: 3

### Product short description:

Elevate your space with the 5-meter LED Neon. Dazzling brightness, versatility, and energy efficiency in one. Perfect for home, business, and events. Click and transform your lighting today! Very easy installation. Suitable for indoor and outdoor use IP65. **Can be cut every 2.5cm.**

### Product description:

LED Neon - 5 meters - PINK - 6mm LED - 12V - Cut 2.5cm

Are you ready to transform your world into a paradise of light and creativity? Discover the 5-meter LED Neon that will change the way you experience lighting! This product is not just a source of light; it's a masterpiece that will add a unique and exciting touch to your environment.

Unrivaled Benefits of LED Neon:

1. **Dazzling Brilliance:** Our 6mm LED Neon uses SMD2835 technology to provide you with impressive brightness. No more dim spaces or faint lights. This LED Neon immerses you in a captivating and uniform glow.
2. **Versatility at Its Best:** Flexible silicone allows you to mold and bend the LED Neon to your desires. Shape your ideas limitlessly and create unique designs that reflect your style and personality.
3. **Energy Efficiency:** With a consumption of only 7 watts per meter, LED Neon is eco-friendly and wallet-friendly. Enjoy stunning lighting without worries about the electricity bill.
4. **Easy Installation:** With a voltage of 12V and the ability to cut it every 2.5cm, installation is a breeze. You don't need to be an electrical expert to bring your lighting ideas to life. If you need to cut our 12-volt LED Neon for outdoor use, we recommend using silicone to make the product IP65 rated. We recommend our code 3565 glue.

Where Can You Use LED Neon:

- **Innovative Interior Decoration:** Add a touch of magic to your home. Illuminate hallways, living rooms, bedrooms, and create a warm and modern atmosphere.
- **Attractive Commercial Spaces:** Highlight your business with an eye-catching lighted sign or showcase products in exhibitions.
- **Memorable Events:** Bring your parties and celebrations to life with spectacular lighting. Weddings, birthdays, corporate events – LED Neon always steals the show!
- **Art and Creative Projects:** Inspire your artistic side. Use LED Neon in art installations, luminous sculptures, and design projects that will leave everyone in awe.

Don't wait any longer to transform your environment into something truly extraordinary. LED Neon - 5 meters - Silicone - LED 6mm - 12V - Cut every 2.5cm; SMD2835; 7 Watts per Meter is the ultimate choice for those seeking quality, versatility, and a touch of modernity in their lighting.

Click now and add this lighting treasure to your life! Your home, business, and events will never be the same.

**Note:** Professional installation is recommended to ensure optimal performance and safety.

At FactorLED, we guarantee that our products are of **QUALITY** and provide all the necessary elements for **DISTRIBUTION, IMPORTATION, or WHOLESALE**, including the technical data sheet of each LED product

**Notice:** Product subject to change without prior notice. Ensure to use the most recent technical datasheet.
