

## LED CRETA Black Ceiling Fan - 30W 6CCT - IP20 - 50cm

### Product code:

Reference: FNB30W-6CCT-91910

### Technical specifications:

REFERENCE: FNB30W-6CCT-91910  
Rated Power : 30  
Nominal Voltage: AC 220-240V  
Colour: SELECTABLE COLOUR: 3000K-4000K-6000K  
CRI - Chromatic Rendiment Index: 80  
Luminosity-Lm: 3000  
Luminous Efficiency (Lm/W): 110 Lm/W  
Certifications: ETL  
IP : IP20  
Diode Life Expectancy (H): 30.000  
Dimensions (mm): 500xH150mm  
Frequency (Hz): 50/60Hz  
Temperature Range (°C): +45°C ~ -30°C  
Control modes: REMOTE CONTROL  
Warranty Years: 3  
Main colour: Black  
Colour of the blades: Transparent  
Blade material :  
Number of blades : 4  
Engine type: DC  
Maximum roof pitch: 25°  
RPM: 850  
Noise level: 50 dB

### Product short description:

Discover our modern and minimalist design **Ceiling Fan**, ideal to complement any decorative style, indoors or outdoors! Equipped with a powerful **20W/DC motor**, 6-speed remote control and silent operation, emitting only 50dB of noise.

In addition, it features a **30W lamp** offering a **selectable colour temperature (6CCT)** and a colour rendering index (CRI) of over 80.

### Product description:

LED CRETA Black Ceiling Fan - 30W 6CCT - IP20 - 50cm

Explore our modern and minimalist Ceiling Fan, perfect for enhancing any decorative style, indoors or outdoors! This fan is designed to fit seamlessly into any space. It operates on an input voltage of 230V and is powered by a 20W/BLDC motor, ensuring efficient and long-lasting performance.

Constructed with 5 ABS fan blades, this fan operates quietly, with a noise level of just 50 dB maximum. In addition, its integrated lighting system offers **30W power**, with a light output of **3000lm**, **selectable colour temperature (CCT)** option, and a colour rendering index (CRI) of 80, ensuring bright and high quality illumination.

With the included remote control, you can easily adjust the speed of the fan, which offers **6 different speeds with a maximum speed of 850RPM**. ETL, CE and CB certified, this fan meets the highest quality and safety standards - discover the perfect combination of style, performance and functionality with our Ceiling Fan!

### Technical Data:

**Light specifications:** 30w 2600lm±10%/CRI80 3CCT

**Body colour:** Black

**Blade colour:** Blue transparent

**Max. ceiling inclination:** 25°

**No. of blades:** 5

**Control Data:** 850 RPM, 6 speeds by remote control

**Finish:** Matt

**IP:** 44

# Technical Datasheet

**Material:** ABS

**Class:** Class I

**Blade material:** ABS

**Voltage:** AC 220-240 V

**Motor Type:** BLDC

**Frequency:** 50-60 Hz

**Fan Diameter:** 500mm

**Motor warranty:** 3 years

**Control:** Yes

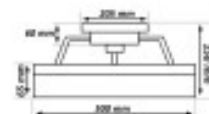

This modern and versatile ceiling fan is suitable for a variety of uses and applications in different environments. Some of these include:

- 1. Home:** Perfect for living rooms, bedrooms, kitchens or other areas of the home where a combination of ventilation and stylish lighting is desired.
- 2. Commercial spaces:** Ideal for restaurants, retail shops, offices and commercial spaces where a contemporary and functional design that enhances the comfort and aesthetics of the location is desired.
- 3. Covered exteriors:** Can be installed on deck areas, porches or outdoor entertaining areas that are protected from the elements, providing a cooling breeze and soft illumination.
- 4. Waiting areas:** In environments such as hotel waiting rooms, clinics or doctor's offices, this fan can enhance customer comfort while providing pleasant lighting.
- 5. Restaurants and outdoor cafes:** For outdoor dining areas or patios of restaurants and cafes, this ceiling fan can help keep customers cool and comfortable while they enjoy their meals.
- 6. Work areas:** In work spaces such as art studios, workshops or garages, this fan can provide additional ventilation along with effective lighting for detailed tasks.

In short, the ceiling fan offers versatility and functionality in a variety of environments, enhancing both the comfort and aesthetics of the space. The package comes with one unit carefully packed in bubble wrap to ensure its safety during transportation.

In FactorLED we ensure that our products have QUALITY guarantee and offer all the necessary elements for DISTRIBUTION, IMPORT or WHOLESALE, including the technical data sheet of each LED product.
