LED Floor Lamp 10W - Ambient Light - RGB DIGITAL + Remote Control + App - 150cm

Product code:

Reference: 92132

Technical specifications:

Rated Power : 10W
Nominal Voltage: 5V.
Colour: RGBW
Construction Material: Thermoplastic
Beam Angle (º): 360º
Luminous diodo LED (Lm/W): 100Lm/W
Luminous Efficiency (Lm/W): 90Lm/W
Certifications: CE - ROHS
IP : IP20
Diode Life Expectancy (H): 30.000
Dimensions (mm): 35*35*1500mm
Frequency (Hz): 50/60Hz
Temperature Range (ºC): -20°C ~ +55°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Other Information: Includes USB
Energy Rating (2021-UE-2019/2015): A+
Warranty Years: 3

Product short description:

Transform your space with the **LED Floor Lamp RGB DIGITAL 10W 150 cm**. Equipped with a 5050 digital RGB LED strip, it offers a wide range of colors and effects to style your home. Ideal for creating unique and personalized atmospheres in any room. Transform your environment with the LED Floor Lamp RGB DIGITAL!

Product description:

LED Floor Lamp 10W - Ambient Light - RGB DIGITAL + Remote Control

The **LED RGB DIGITAL Floor Lamp 10W 150cm** is the perfect choice for those looking to transform their indoor spaces with a touch of modernity and versatility. This innovative lamp is equipped with a 5050 RGB digital LED strip, capable of offering an impressive variety of colors and light effects, allowing you to set the mood in any room of your home with style and personality.

This floor lamp stands out for:

1. Built-in MEMS microphone, real-time capture of music and ambient sound intensity.
2. The LED strip syncs with the music and contains a variety of music rhythm modes.
3. Infrared remote control (optional).
4. Press the button to change the color and mode.
5. Control via the TuyaSmart app.
6. Works with Amazon Alexa, Google Home, and others.
7. Different color control for each LED point group.
8. The software shows that the text is based on the language of the configured mobile phone for automatic conversion to Chinese, English, and other local languages.

Composition and Main Features of the 10W Floor Lamp - Ambient Light - RGBW DIGITAL

This floor lamp offers an impressive variety of colors and light effects, thanks to its 5050 RGB digital LED strip. With the ability to choose from 16 million shades, you can tailor the lighting to your mood or the occasion, fully customizing your space.

Wide Range of Colors and Effects

The lamp features an advanced lighting system that offers a wide range of RGB colors, allowing you to choose from 16 million shades to match your mood or the occasion. Additionally, the multiple light modes and effects available will enable you to create everything from vibrant and festive environments to calm and relaxing atmospheres, personalizing your space with just a press of a button.

Versatile and Easy to Use Control

One of the standout features of this lamp is its ease of control. It offers four distinct methods to adjust the lighting according to your preferences:

- **Integrated Button:** For quick and easy access directly on the lamp.
- **Remote Control:** With the included remote, you can change colors, adjust light intensity, and switch between different lighting modes without having to leave your seat.
- **Music Control:** Thanks to its ability to sync with music, the lamp adjusts the lighting to the rhythm of your favorite songs, creating a dynamic and energetic environment.
- **APP Bluetooth (APP: duoCo stripX):** With the duoCo stripX app, available for mobile devices, you can remotely control and fine-tune all the lamp's functions from anywhere in your home.

Technical Datasheet

Easy and Quick Installation

The lamp is delivered unassembled, but its assembly is extremely simple and quick, allowing you to enjoy your new lighting in less than 5 minutes. We include a detailed manual to guide you step by step through the installation process, ensuring that even those with little technical experience can assemble it without difficulty.

Modern and Functional Design

At 150 cm tall, the **LED RGB DIGITAL Floor Lamp** is not just a functional light source but also a decorative element that easily integrates into any décor style. Its slim and minimalist design makes it ideal for any room in the house, taking up little space while offering a broad and effective light spectrum.

Versatile Applications

This lamp is the perfect choice for multiple uses and environments. You can place it in your:

- **Living Room:** Add a splash of color to your common area, creating a cozy atmosphere to relax or entertain guests.
- **Bedroom:** Set the perfect lighting for relaxation or create a romantic ambiance.
- **Game Room or Audiovisual Room:** Enhance your entertainment experience with light effects that react to the action on screen or background music.
- **Gym:** Motivate yourself during workouts with energizing colors that keep your energy and focus high.
- **Workspaces and Offices:** It is capable of adapting the lighting to different activities, such as creative meetings or focus sessions, improving productivity and team well-being.
- **Nightclubs and Bars:** Thanks to the music control function, the lighting can sync with the venue's music, enhancing the sensory experience for customers.

In our online lighting store we promise that our products are of QUALITY and offer the necessary elements for DISTRIBUTION, IMPORT or WHOLESALE, including the technical sheet of each LED product.
