

Snap Connector for LED Neon 6X12mm - 24V + End Cap

Product code:

Reference: 92086

Technical specifications:

REFERENCE: 92086
Construction Material: PC
Certifications: CE - ROHS
IP : IP20
Dimensions (mm): 6x12mm

Product short description:

Discover the versatility of our **Pressure Connector**, the ideal complement to our exclusive **6X12mm - 24V - 13W LED Neon line**, specifically designed for signage. This high-quality accessory is intended to enhance the visibility of your signs, providing a practical and stylish solution.

It includes an end cap as an additional protection measure. Compatible with 8mm PCB LED strips (10mm wide on 220V LED strips with silicone).

Product description:

Snap Connector for LED Neon 6X12mm - 24V + End Cap

Explore a universe of endless opportunities with our **Snap Connector**, an essential addition to our exclusive **6X12mm - 24V - 8W LED Neon** line, meticulously designed to highlight signs in an exceptional way. This premium accessory is ready to offer a practical and stylish solution that enhances our neon installation, boosting both the visibility and aesthetics of your signs in any environment.

Outstanding Features:

- 1. Specialized Design:** This Snap Connector has been precision engineered to perfectly fit the 6X12mm - 24V - 8W LED Neon range, ensuring a firm and secure 24V connection.
- 2. Unmatched Versatility:** The adaptability of this snap connector makes it a perfect choice for a variety of applications, from commercial signage to indoor and outdoor decoration.
- 3. Durability and Strength:** Manufactured with high quality materials, the Snap Connector offers durability and strength.
- 4. Style and Presentation:** Discover how this snap connector not only fulfills its practical function, but also adds a stylish touch, elevating the presentation of your spaces.
- 5. Easy Installation:*** Practicality stands out in the installation, allowing for seamless integration.

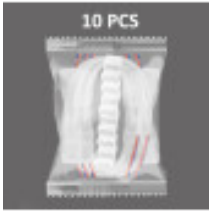

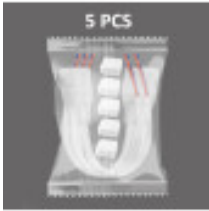

Uses and Applications of the Pressure Connector for LED Neon 6X12mm - 24V + End Cap:

- Commercial Signs: Boost the visibility of your business with eye-catching, standout lighting.
- Interior Decoration: Add a touch of style to your space with illuminated signs that capture attention.
- Architectural Elements: Highlight architectural details both indoors and outdoors.

Discover how this Pressure Connector transcends its practical function to become a key element that enhances the presence and visual impact of your lighting projects. Explore new possibilities with us!
