

PACK10 - LED Tube 24W Glass 150cm 300° - SMD2835 SAMSUNG - High Brightness 130Lm/W

Product code:

Reference: TB24WSS

Technical specifications:

REFERENCE:
Rated Power : 24w
Nominal Voltage: 220-240 V AC
Colour: 4000K - 5700K
CRI - Chromatic Rendiment Index: 80
Number & Type of LEDs:
Luminous diodo LED (Lm/W): 130Lm/W
Luminous Efficiency (Lm/W): 110 Lm/W
Base:
Certifications: CE - ROHS
Diode Life Expectancy (H):
Temperature Range (°C):
Energy Rating (2023 - UE-2019/2015): E
Warranty Years: 3

Product short description:

Light up your spaces with the **24W Cristal 150cm LED Tube!** High brightness with **130 lm/W**, reliable **Samsung chip** and 300° angle for full coverage. CRI80 for vibrant colours and a robust glass design. Energy efficient and durable, transform your environment today!

Product description:

LED Tube 24W Crystal 150cm 300° - HIGH LUMINOSITY - SAMSUNG CHIP

Discover state-of-the-art lighting with our **24W Cristal 150cm LED Tube!** Designed for high brightness and efficiency, this LED tube integrates a superior quality **Samsung chip**, ensuring bright and long-lasting illumination. With a 300° beam angle, it illuminates wide areas evenly, ideal for any space.

The 150cm 24W Samsung high brightness LED tube is an excellent choice for those who are looking for efficient, long lasting and high quality lighting. Its many advantages make it a superior alternative to traditional fluorescent tubes.

24W Crystal LED Tube 150cm 300° SAMSUNG CHIP Outstanding features:

- **High brightness:** Provides a light output of 130 lumens per watt, ensuring a well-lit environment with minimal power consumption.
- **Advanced technology:** Equipped with the reliable Samsung Chip, it guarantees exceptional performance and long life.
- **Superior light quality:** With a CRI80, it offers a more accurate and natural colour rendering, perfect for bringing out details in any environment.
- **Energy efficient:** Significantly reduces energy consumption without compromising on lighting quality.
- **Robust design:** Made of high quality glass, it combines durability and aesthetics, bringing an elegant touch to your spaces.

Ideal for homes, offices, shops and anywhere where high quality, efficient lighting is needed. Transform your environment with the clarity and savings that only our 24W LED Tube can offer, order today and experience the difference!
