

Transparent connector for COB + SMD LED strips - 10mm - IP20

Product code:

Reference: 91898

Technical specifications:

REFERENCE: CN42109
Construction Material: PC
Certifications: CE - ROHS
IP : IP20
Warranty Years: 3

Product short description:

Solderless transparent connector for non-waterproof IP20 COB and SMD strips with 10mm PCB. Our IP20 quick connector allows connections to be made on LED strips without the need for soldering by simply tightening the clips on the side of the connector. Super easy to fit. As it is transparent, the joints are not visible.

Product description:

Transparent Connector for COB and SMD LED Strips - 10mm - IP20

Discover the Transparent Connector for COB and SMD LED Strips - 10mm - IP20, the perfect companion to illuminate your spaces in a stunning way!

Our revolutionary connector allows you to effortlessly connect any type of 10mm LED strip, whether it's the impressive COB LED strips or the versatile SMD LED strips. Turn your ideas into reality and create dazzling atmospheres with maximum ease.

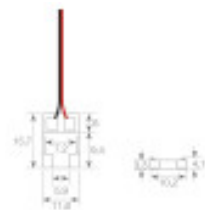

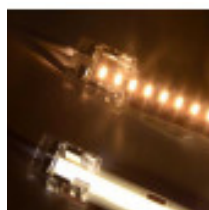

Its installation is a breeze thanks to the innovative quick Click system. Simply snap your LED strips into the connector with a secure click and enjoy a stable and reliable connection. No need for complicated tools or technical knowledge, this connector was designed with your convenience in mind.

To make your experience even more enjoyable, we have included a 10cm long connection cable. Now you can move freely and place your LED strips exactly where you need them, with no restrictions or limitations. The power of lighting is in your hands!

If you plan to use this connector with an aluminum or polycarbonate profile, please consider its dimensions. We recommend checking compatibility to ensure a perfect fit and a flawless appearance in your lighting design.

With the Transparent Connector for COB and SMD LED Strips - 10mm - IP20, you can enjoy the brightest and most sophisticated lighting in all your projects. Don't wait any longer to bring your ideas to life. Illuminate your spaces and leave a luminous mark in the world!
