# Multiple Connector

## Product code:

Reference: 2871

## Technical specifications:

REFERENCE: 2871
Construction Material: Flame retardant thermoplastic
Certifications: CE
IP : IP20
Dimensions (mm): L80*W20*H15mm, L3.15*W8*H0.6in
Frequency (Hz): 50/60Hz
Warranty Years: 2

## Product short description:

Discover the revolutionary Connector Strip with 4 Pressure Terminals for quick and secure electrical connection! Designed to simplify your electrical projects, this strip provides an efficient and reliable solution for your connection needs. With its 4 pressure terminals system, this strip allows you to make electrical connections quickly and effortlessly. The Connector Strip with 4 Pressure Terminals is versatile and adapts to a wide range of electrical applications.

## Product description:

Multiple Electric Connector

Discover the revolutionary Connector Strip with 4 Pressure Terminals for quick and secure electrical connections! Designed to simplify your electrical projects, this strip provides an efficient and reliable solution for your connection needs.

With its 4 pressure terminals system, this strip allows you to make electrical connections quickly and hassle-free. Forget about unstable connections and lengthy installation times. Thanks to its intelligent design, you simply need to insert the wires and press the terminals to achieve an instant, firm, and secure connection.

The Connector Strip with 4 Pressure Terminals is versatile and adapts to a wide range of electrical applications. Whether you are carrying out installations in your home, office, or any other environment, this strip is your perfect ally. Furthermore, its high-quality construction ensures exceptional durability, guaranteeing optimal long-term performance.

Not only will you benefit from its ease of use and reliability, but you will also enjoy its sleek and modern look. The strip has been designed with aesthetics in mind, making it an attractive addition to any space.

Don't waste any more time and energy on complicated electrical connections. Get your hands on the Connector Strip with 4 Pressure Terminals and experience convenience and efficiency in your electrical projects. Connect quickly, safely, and effortlessly with this cutting-edge strip!

In our online store, we ensure that our products come with a QUALITY guarantee and provide all the necessary elements for DISTRIBUTION, IMPORTATION, or WHOLESALE, including the technical specifications of each LED product.
